

EE DEPARTMENT

Event Name: EE - 1 – X- MINDSWEEPER

Description: In this event, team of two will be provided by some electrical components by us and a particular task like circuit diagram will be given to each team. Best upon the requirement they have to perform a task with time.

Registration Fees: 50 /- per team.(Team of two participants).

Rule:

- 1.)Just one simple rule. Perform as the volunteer ask to do.
- 2.)second and final round are time based round.
- 3.)all participants have to accept judges decision no arguments will be accepted.

Rounds:

❖ 1: Buzzer Round

Simple task for a participant. Some Question will be provided to the team. They have to solve a question to answer.

❖ 2: clue game

Bit difficult and logical. Participants have to select a cheat and they have to find to answer according clue.

❖ ROUND-3

A circuit will be given with some unknown parameters. Team have to find out that parameters and then have to implement the circuit on the breadboard. Team which finishes in less time would be considered as winner.
