

## **Event Name: EE- 3 – TECHNO MIX**

**Description:** This is a technical event, where participants will be participate in a team of two.

**Registration Fees:** 25 rs per person.

### **Rule:**

- All the rounds are time based.
- Perform the tasks as volunteers ask to do.
- If u won't report the lab on given time then you will be discollified.

### **Rounds:**

#### **❖ ROUND-1**

- **PART-1**

Some balloons will be provided to the one partner. There will be a chit of a general technical question in each balloon. Participant has to bloom the balloons ( 1 balloon at a time). The other partner has to burst it without using hand. The team has to answer the questions. Whichever team will give 4 out of 6 correct answers will be eligible to perform next task.

- **PART-2**

A "Find The Way" sheet will be provided to each team. There will be some alphabets in the correct path. The participants has to find the correct path & has to make the general technical word by using those alphabets. This is a time based task.

#### **❖ ROUND-2**

The "Cross Word" Sheet will be provided to the participants. Teams has to find all the words in minimum time. This is also a time based task.

### ❖ **ROUND-3**

This is the final Round. The pieces of puzzles will be hidden by us in the lab. The clue chit will be given to each team. They have to find the piece of puzzle by cracking the clue. The next clue will be there on the piece & so on. They have to find all the pieces & solve the puzzle.
